Virtual Happy Hour (Platinum/Diamond Members Only)
Invitation to one in a series of virtual happy hours hosted by a NNECOS physician leader and one or more additional leaders/members. The purpose of these virtual happy hours is to enhance the collaborative relationship and integrate efforts to support NNECOS’ mission on a range of issues including access to cancer care, cancer research and education of cancer care professionals. Two platinum/diamond companies will be represented at each virtual happy hour, with two or three participants from each company. Diamond members may elect to participate in one virtual happy hour with four participants or attend two happy hours, two attendees at each.
