2021 NNECOS Virtual Spring Meeting
Cancer Diagnosis in the Time of COVID

Networking, Education & Self-Care

Has caring for patients during the pandemic left you feeling beaten down and burned out? Spend a day with your colleagues from across the region who understand. In addition to the wealth of information, you’ll have the opportunity to:

• Network with colleagues & engage with corporate members in the NNECOS Virtual Networking Lounge.
• Celebrate your ingenuity & hear how others have adapted their care during the pandemic.
• Listen to patients talk about coping with their cancer diagnosis and the challenges of maintaining social connection during a time of social isolation.
• Let your hair down, let your smile slip, and speak your truth.

Sessions Include:

• In the Line of Duty
• Oncology Care During COVID: Lessons Learned
• Coping Challenges During COVID: Patient Experience Panel
• Innovative Abstracts: Podium & Poster Sessions
• Where’s My Vaccine?
• Communication, Compassion, and Well-being in the Age of COVID
