Coding and Billing Webinar Series

**MAY
23**

12:00 pm – 1:00pm

2023 Evaluation and Management Changes

The American Medical Association has released the new guidelines for Evaluation and Management (E/M) services which will go into effect on January 1, 2023. The guidelines have been updated to bring all the services in line with the 2021 Evaluation and Management changes to office and outpatient E/M CPT codes.

Topics covered:

- Overview of the new and revised CPT codes.
- Strategies for selecting the appropriate E/M codes based on the updated criteria.
- Other changes to the guidelines.
- Drug Waste

**JUNE
13**

12:00 pm – 1:00pm

Z Codes and Social Determinants of Health

Social determinants of health (SDOH) are now widely recognized as important predictors in clinical care and positive conditions are associated with improved patient outcomes and reduced costs.

Topics covered:

- Overview of ICD-10 CM Z codes and reporting guidance.
- Z code utilization among Medicare beneficiaries.
- Connecting Z codes with SDOH data.
